

## **P/NP Grading Policy for Global Studies Minor**

The UC Berkeley campus has made the default grading option for every course this term P/NP. You also have the option to select a letter grade option by May 8, 2020. The Interdisciplinary Social Sciences Programs (ISSP) which houses the Global Studies minor will accept P/NP grades for all upper-division courses that count towards the minor for the spring 2020 semester ONLY. This includes courses taken at UC Berkeley as well as at other universities. Again, we want to assure you that classes taken this semester will satisfy the Global Studies minor requirements even though you received P grades.
